Larry Finney, Partner, Greene Finney Cauley, LLP

Finney is a founding Partner of Greene Finney Cauley, LLP. As a partner, he helps to define the firm's overall vision, mission, strategy, and direction. Finney has extensive expertise in a variety of industry segments, including municipalities, land trusts, school districts, special purpose districts, counties, state agencies, utilities, and nonprofit entities. A trusted and respected member of the accounting community, Finney is a regular presenter at conferences and continuing professional education seminars. He has earned a bachelor of science in accountancy from the University of Illinois and is a Certified Public Accountant.

Andrew Coleman, Senior Manager, Greene Finney Cauley, LLP

Coleman joined the Greene Finney, LLP team in 2007. As a manager, Andrew specializes in attestation engagements. Prior to joining the firm, Andrew served two years at the Cohen Company as a staff accountant. He has earned a Bachelor of Science in business administration with a minor in accounting from North Greenville University and is a Certified Public Accountant.
