

BOASC

Building Officials Association of South Carolina

2019 Membership Application

Invitation from the president

I would like to invite you to join/rejoin the Building Officials Association of South Carolina. This is a chance to belong to an association that makes a difference in what you do every day.

BOASC was formed in 1951 so that building officials could exchange ideas, discuss problems and promote safety for life, health and property. In 2017, BOASC joined with the Municipal Association of SC to become its newest affiliate. The Municipal Association of SC will help BOASC continue its mission by providing training opportunities, advocating for better legislation and helping develop a model ordinance that all cities and towns can use.

What benefits do you receive as a member?

- Access to up-to-date training sessions at the annual meeting.
- Participation in a listserv, a members-only information exchange. The listserv is a great way to share information, experiences and expertise with your colleagues statewide.
- A voice in the professional association dedicated to building safety.

We look forward to receiving your membership application and having you as a member in 2019.

Patrick Brown, Town of Edisto Beach
President
