8:55 – 9:05 a.m. Welcome

President Jarvis Driggers, IT Director, City of Lancaster

9:05 – 10:00 a.m. Navigating to Office 365: How Five Local Governments Transitioned to the Microsoft Cloud

Ron Braatz, President and Founder, LiftOff, LLC

Successfully migrating an IT system to Office 365 requires careful planning and execution, as well as a knowledgeable project team. Using case studies, the presenter will explain the key steps involved and the decisions that must be made to be successful.

10:00 – 10:15 a.m. Break

10:15 – 11:15 a.m. The Division of Technology: Who We Are and What We Do

The Division of Technology, a unit of the SC Department of Administration, is tasked with helping facilitate the delivery of technology, security and privacy-related services and solutions to governmental entities throughout the state. This session will give an overview of the services offered by the three offices within the Division of Technology: Information Security, Technology Operations and the Enterprise Privacy Office.

11:15 a.m. – 12:15 p.m. ArcGIS Spatial Analytics to the Rescue

Emma Paz, GIS Analyst/Developer, ROK Technologies

Emergency response scenarios are real, and they pose serious threats to our communities. Learn how spatial analytics through ArcGIS can be harnessed to answer urgent questions during these critical times of need. Paz will also share a case study on Coastal People Watch.

12:15 – 1:15 p.m. Networking Luncheon

1:15 – 2:15 p.m. Moving to Office 365

Scott Sample, NC/SC Cloud Success Manager, Microsoft Corporation

During this session, attendees will learn about what Office 365 offers and how it can have a positive impact on both finances and productivity. The session will also review different capabilities offered under the service and resources available for help during migration.

2:15 – 2:30 p.m. Break

2:30 – 3:15 p.m. Windows 10 for Government

Scott Sample, NC/SC Cloud Success Manager, Microsoft Corporation

In this session, attendees will learn why Windows 10 is the right choice for governments and what this means for the future. The presentation will include how it works, new security features and information regarding updates, management and devices.

3:15 – 4:00 p.m. Generational Diversity in the Workplace

Carrie Cavanaugh, HR Consultant, Find Great People HR Consulting

When working with employees and colleagues from a different generation, background, experience and culture, have you ever been frustrated because they do things differently than you do? Generational diversity training addresses those frustrations, preventing

misunderstandings and miscommunication that can eventually lead to conflict in the workplace.
