Conway breaks Halloween visitor records with over 466,000 people in October

**Patty Berles Thibault**

I liked it better a couple years ago where I could walk around and enjoy it. This year I saw it had grown tremendously, which can be good, but it was handled very poorly. They needed the police to direct traffic. I took someone for their 1st time and we couldn't get out and enjoy it. We were both very disappointed. Didn't get to see anything. Took us over an hour just to make a circle around to not even enjoy. Hope the town does better planning for everyone to enjoy.
