Thank you so much for joining our webinar about **Entra ID Protection Wizardry**. We hope you found the information helpful!

Please forward this email to anyone on your staff that may find it useful!

If you didn't get a chance to attend, you're in luck! Here is a link to the webinar:

<https://youtu.be/MiQbRkJ7e3E>

As a reminder, here are some of the items we reviewed:

- How to **properly license** users for optimal security in **Entra & 365**
- How to setup/migrate **Authentication Methods** for **MFA** and **SSPR**
- Optimal **Multifactor Authentication** settings for your environment
- How to handle **risk events** and **risky identities**
- Migrating **ID Protection risk policies** to **Conditional Access**
- Setting up standard **Conditional Access** policies (**blocking non-US logins, blocking legacy/basic authentication & requiring MFA**)
- Setting up advanced **Conditional Access** policies (**using templates, Microsoft Managed policies, etc**)
- Control end user **Teams/Sites/Group creation**
- Control **Enterprise Apps** in your environment
- And more!

Here are some helpful resources related to the topics discussed during the webinar:

- Our previous webinar on Microsoft Entra (there is overlap, but hopefully some additional useful nuggets of information!):
<https://liftoffonline.com/EntraWebinar>
- More info about blocking Direct Send here:
